Amazing Multi-Gen Model Home With A View!

18035 Ribwort Road, San Bernardino, CA 92407

Description

Amazing Multi-Gen Model Home With A View!

Located in the Sky Ridge Community, this home features a beautiful pool, basket ball court and a California room w/ Ceiling fans and built in speakers. Pavers surround the pool and continue to the side of the house. Fully landscaped with lighting. It also has a 548 sq. ft. Suite attached with 1 bedroom, 1 bath, a living room, kitchenette, stackable laundry hook ups in closet and its own private entrance. The main house has 1 bedroom 1 bathroom on the main floor, and 3 bedrooms 2 bathrooms upstairs with a laundry room and a loft. The master bedroom has a walk in closet and a balcony over looking the city, hills and the pool. The night view is spectacular especially during Christmas with all the beautiful Christmas lights! The kitchen island is huge and great for hosting a party! Living room and dining room flow into the California room with two sliding doors. The tandem garage has been converted to a home gym with built in speakers separated by a door leading to the 2 car garage with a storage closet. This house is a must see! With all its upgrades and features it won't last!
