### Property Description

LAKE RIGHTS!! Great neighborhood, level entry, 2 bedrooms and bath on the main level and 2 bedrooms and a bath on the lower level. Sunshine pours into the wall of glass all day into the open living area. These features make this property rare and desirable. Don't let the date of build fool you because this house has been upgraded with dual pane windows, insulation, newer roof and fresh paint. The bathrooms are wonderfully re-tiled and fresh. This 4-bedroom 2 bath with beautiful mountain views and peek-a-boo view of the lake makes you feel like you're on top of the world.
