This beautifully upgraded condo offers over 1,800 square feet of stylish living with serene bay views. The lower level features a private guest en suite, convenient laundry area, and an exceptional primary suite with custom upholstered walls, custom bathroom finishes, multiple closets including a walk-in, and serene water views that create a true sense of escape. Upstairs, the bright living room opens to stunning views and flows seamlessly into the dining area with a custom built-in banquette, perfect for entertaining. The upgraded kitchen features high-end appliances and bar seating, while a renovated bathroom adds convenience for guests. A third bedroom near the upper entry provide additional comfort and flexibility. Marina Pacifica offers a resort-style lifestyle with six pools and spas, a clubhouse, fitness center, and a footbridge connecting directly to shopping and entertainment. Ideally positioned near Marine Stadium, home to the rowing and canoe sprint competitions for the 2028 Olympic Games, this residence is perfectly situated to enjoy the excitement of this world-class event. With two parking spaces, two private balconies, thoughtful custom details throughout, and breathtaking sunsets, this home offers the perfect blend of comfort, style, and coastal living.
