Property Description

Don't miss your chance to own this beautiful home on a quiet cul-de-sac in the heart of Ontario! Soak in the peace of the morning on that adorable front porch. As you step through the front door into the living room, the large window fills the room with natural light. Imagine the memories you can make in the separate family room with its cozy, wood-burning fireplace. Having a second large living space creates a lot of options. You'll love the new laminate flooring in the bedrooms, and the guest bathroom combines classic charm with modern touches. The hallway storage area can double as a home office or homework station. The primary bedroom features a private, en-suite bathroom and its own door to the back patio, which makes it perfect for renting to a roommate or other situations where it's helpful to come and go without disturbing the rest of the house. The brand-new, high-efficiency, central heating and A/C combined with dual-paned windows will keep you comfortable year-round and save you money. Ceiling fans throughout add extra comfort too. Enjoy grilling, chilling, or entertaining in the large backyard. It's got the perfect balance of patio, lawn, and garden. Automatic sprinklers make it easy to keep your lawn and garden healthy. You'll love eating fruit from your own lemon, orange, and lime trees! Need extra parking for an RV, boat, or extra cars? You've got it! On top of the 2-car garage and long driveway, there's a large concrete pad next to the garage for additional parking. The brick accents in the driveway add character and curb appeal. While the street is quiet, you're located conveniently close to everything. Hawthorne Elementary School, Vina Danks Middle School, Chaffey High School, the post office, multiple grocery stores, several restaurants, two parks, and the 210-freeway access ramp are all within 5 minutes' drive, according to Google. Spend less time driving and more time living. Make sure you check out the 3D virtual tour! Welcome to a great home for a great life!
