Property Description

Beautiful home located in a quiet neighborhood of Corona! Entering the home, you will find the spacious living room, updated kitchen with granite countertops, bonus room/den with wood burning fire place, and dinning area. The open floor concept is perfect for entertaining! Central AC/Heating, new sliding door, newer double pane windows, ceiling fans, newer carpet in the bedrooms and updated bathrooms. The spacious backyard features a new beautiful pergola, outdoor wood bar with electrical for outdoor TV/mini refrigerator, storage shed, and fruit trees- guava, orange, and green apples. This home has so much to offer!
