Property Description

Crown Ranch Road is home to some of Corona's most prestigious estate properties, and this exceptional Mid-Century Modern Estate has been completely renovated in 2026, thoughtfully blending its original architectural character with today's standards of luxury and design. Built in 1964 and set on approximately three-quarters of an acre, the residence presents a striking contemporary aesthetic with light finishes, bold dark trim, and an abundance of natural light. The home offers four bedrooms, four full bathrooms and a beautifully appointed guest powder room. Each en-suite bedroom features a highly upgraded private bath with quartz countertops, designer fixtures and refined finishes.
