## Property Description

You will love this turn key property in a great area of Perris, jog, walk your fur baby, or ride a bike to the lake. You are close to schools and a great park with walking paths and Baseball Field, Basket Ball courts, playground and plenty of room to let your furry friends roam around and meet your neighbors. Located at the end of the two streets, so, you get the benefit of a larger than normal lot that gives you the opportunity to enjoy some fantastic views of fireworks shows that the lake puts on and views that include Riverside and Moreno Valley, it is amazing! The Home is a 4 bedroom 2 1/2 Bath KB Built Home, all the bedrooms are upstairs, Master Bedroom has a walk-in closet and full bath with a towel closet, 2nd full bathroom located upstairs with a linen closet and one of the other bedrooms has another huge walk-in closet that you could almost turn into another bedroom, not really but it is very large, I have seen other similar floor plans in the neighborhood that converted some of this space into another bathroom. Also featured is a grand loft area for a more spacious living area that can be used for a home gym, additional family room, movie room, pool room or whatever your imagination can come up with. The kitchen has granite counter tops and matching appliances. Two Car garage with plenty of parking out in the larger than normal drive way. Brand new flooring and new paint on the interior. This home has everything you have been looking for! Owner is listing agent.
