Property Description

Here is your chance to own a completely upgraded Coral home on a quiet street. Here is a list of some of the features. The kitchen has been redesigned with extra cabinetry, solid surface countertops and tile backsplash. The appliances include black and Stainless-steel range, microwave and dishwasher to compliment this spacious work space. The two bathrooms have been tastefully upgraded in tile and newer fixtures. The living area flows well with wood laminate flooring though out for easy up keep. A newer central heat and air conditioning system to keep this home very comfortable on these warm days. The lighting in the family room, kitchen and hallway have been modernized with LED can lighting. There is a big bonus to this home as it has a fully enclosed patio structure off the laundry room, with glass windows and screens for great outdoor living space. The exterior has been upgraded also with newer paint, dual glazed windows, attached garage with opener. Fully landscaped yard with auto sprinklers. The electrical service panel has been upgraded and includes electrical for future patio spa. The garage is completely drywalled and finished for that man cave.
