Property Description

This is a 2 bedroom and 1 bath that has completed upgraded. The flooring is wood laminate completed in 2018, the upgraded kitchen is white cabinets with soft hinges and soft close drawer. The quartz countertop is a light grey, with a modern look back splash. Large kitchen sink, with upgraded faucets. The refrigerator and stove, microwave, and dishwasher were all installed in fall of 2018. kitchen was completed in 2019.

The ceiling has been scrapped and repainted. The bathroom has been upgraded with newer vanity and tub surround; the barn door style shower door is a great finish to the beautiful bathroom. Newer toilet, all the faucet and hardware and controls in the shower and sink, have been replaced.

The home has a Insteon home automation system to control light switches in the kitchen, dining room, and living room which can work with or without Amazon Alexa. The home has some wonderful back yard and front yard planter.

Call me to set your appointment to see the home.
