- Living Space: 1,601 sq ft
- Lot Size: 1,960 sq ft

Property Description

Welcome to 8419 Cedarwood Lane a turn key home located in the quiet Rancho Villas development. One of the first things you will notice as you walk in is the gorgeous remodeled downstairs area including the kitchen with upgraded appliances for & remodeled bathroom. Adjacent to the kitchen are the open dining & living room which has a fireplace for cozy evenings at home. Unwind outside on your private patio! The bedrooms upstairs are very spacious and have vaulted ceilings. The primary bath has been recently updated along with dual pane windows & blinds. Laminate & carpeted flooring throughout the house. One amazing thing about this specific home is the long driveway that can fit up to 4 cars plus you have a 2 car attached garage. The community has a pool + spa & is close to shopping, the route 66 trail, restaurants + 10/15/210 freeways.
