Property Description

Discover the Perfect Blend of Comfort, Security, and Play.

Nestled within a premier, private gated community, this beautiful townhouse offers the ultimate Southern California lifestyle. With a very generous 1,831 square feet of living space, this home features; A master bedroom with an ensuite bathroom and walk-in closet, for a total of 4 spacious bedrooms and 2.5 modern bathrooms, providing plenty of room for family, guests, or a dedicated home office.

The beautiful, low-maintenance patio is tailor-made for relaxation and entertainment. Featuring a raised stone retaining wall with tiered garden beds, built-in planter boxes for your green thumb, and ample space for an outdoor lounge set, it is the perfect spot for morning coffee or weekend barbecues under the sun.
