Property Description

Completely remodeled home in the acclaimed Glendora Unified School District. Stanton Elementary is conveniently just 1/3 of a mile away, and you can eat, shop, workout at the gym, and catch a movie all within one mile. Think of the memories you can make in the spacious living room with vaulted ceilings, a cozy fireplace, and tons of natural light. The remodeled kitchen features shaker-style cabinets, easy-to-clean Corian counters, recessed lighting, stainless-steel appliances (included), and a sliding-glass door to the back patio. The open interplay between the living room, dining area, and patio is perfect for entertaining. The guest bathroom and private, en-suite master bathroom were both recently updated with new tile, fixtures, and sinks. French doors to the fourth bedroom make it a natural space for a home office or den. Dual-pane windows combined with central A/C and heat will keep you comfortable in all seasons, and a newer water heater offers peace of mind. You'll love the clean and attractive laminate flooring in the living areas, hallway, and 4th bedroom/office. The generous back yard and large covered patio provide a perfect space for relaxing and grilling with friends and family, and the gated driveway offers added security. Easy access to the 210 freeway via Grand Avenue means less time driving and more time living life. Welcome home!
