Property Description

Tranquility awaits you the moment you step foot in the foyer of this tastefully remodeled beauty. New flooring throughout, new paint, transformed kitchen complete with counter to ceiling backsplash and new appliances, remodeled bathrooms with dual sinks and thoughtfully curated tiles. Offering an open floor plan perfect for entertaining, this 4 bedroom 2 bathroom home wraps around a courtyard yearning for moonlit al fresco dinners. In addition to the four bedrooms this home also has a cozy den with a fireplace. The perfect bonus space for those of us working from home or in need of a private office, playroom or movie theater. Not only is there ample space on the interior, there is also over 13,000 square feet of exterior space to create the outdoor playground you've been dreaming of since you first began thinking of purchasing a home. Nothing is off the table when you have this much space to imagine and create. Plant a garden, add a pool, build that swing set...it is all possible here.
