**Property Description**

Beautiful 4 Bedroom, 2 bathroom Spanish style single story home. This home sits at the end of a private street close to a main street and is gated and secured. The large custom landscaped front yard has a park like setting with pavers, low LED lighting, sprinklers and is gated for extra privacy. Upon entrance of the home, you are greeted with too many upgrades to list. The living room has a fireplace with stone accents. There are ceiling fans and wood shutters throughout the home. The kitchen has built-in appliances and a coffee bar. Hardwood laminate flooring throughout the home lends a fresh feel to the home. 2 full bathrooms, with one in the Main bedroom. Double paned windows that keeps it quiet in the home. The bathrooms have been completely upgraded. As you enter the backyard through new double doors, you have a covered patio, firepit, an area to play Bocci Ball or Golf, and outside speakers that make this a PERFECT home for entertainment. As if that weren't enough, there is a fully remodeled He/She shed that has access to electricity. This Entertainers backyard is private from the other homes! The attached 2 car garage door is new and the floor has been tiled, with access to the backyard. Almost everything was remodeled within the last 2 years, including roof, A/C, and electrical box. Close to multiple shopping outlets.
